Essentials of Craniomaxillofacial Trauma (Paperback)

By -

Thieme Medical Publishers Inc, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Essentials of Craniomaxillofacial Trauma is destined to become a favorite with all students of plastic surgery, otolaryngology, and maxillofacial surgery, whether residents in training or experienced practitioners. Small enough to fit in a lab coat pocket but comprehensive enough to cover the essential topics in facial trauma, this exceptional manual is just the resource you need. It will prove invaluable as a quick reference on the "front lines" in the emergency room as well as for use in daily practice, when studying for board exams, or simply as a refresher when confronting a difficult clinical problem. This book evolved from the outstanding craniomaxillofacial trauma programs at Duke University and Johns Hopkins University/Maryland Shock Trauma Unit and is built on the principles and treatment protocols employed at these institutions. Contributors are senior surgeons who are paired with current residents or fellows from these programs. They share their practical, hands-on experience. Packed with Critical Information This practical manual provides essential information in a convenient, fully illustrated, and easily accessible outline format. It focuses on the most common problems in facial trauma and then provides the critical information needed for immediate...
